

# Minimal standards – short presentation

## ISO 21542:2021 – Accessibility Visual Cheat Sheet (All Users)

### Legend / Icons

- Wheelchair / Mobility Impairments
- Blind / Low Vision
- Deaf / Hard of Hearing
- Cognitive / Learning Disabilities

### Entrances & Routes

Building entrance with ramp and doors.

- Ramp slope  $\leq 1:12$ , non-slip, handrails both sides
- Corridor width  $\geq 1200$  mm ( $\geq 1500$  mm for two-way)
- Detectable tactile paths to entrances and corridors
- Clear sightlines to signs for visual access
- Simple, predictable layout with minimal obstacles

### 2 Doors & Openings

Door with handle and signage.

- Clear width  $\geq 800\text{--}900$  mm
- Tactile & Braille signage, high contrast
- Visual signals for automatic doors
- Easy-to-use handles, clear pictograms

## Vertical Circulation (Stairs & Elevators)

Elevator and stair side by side.

- Elevator  $\geq 1100 \times 1400$  mm, controls  $\leq 1200$  mm, turning space
- Tactile floor indicators, auditory announcements
- Visual floor indicators and alarms
- Simple signage and consistent operation
- Stairs: handrails both sides,  $\geq 1200$  mm width, contrasting nosings
- Detectable warning strips at stair edges

## Sanitary Facilities

Accessible toilet with grab bars.

- Toilet  $\geq 1500 \times 1500$  mm, grab bars, maneuvering space
- Tactile door signs, Braille
- Visual emergency alarms
- Clear pictograms and simple instructions

## 5 Signage & Wayfinding

Wall with directional signs.

- Tactile, Braille, high-contrast signs
- Visual alarms for hearing impaired
- Symbols simple and clear, minimal clutter

## Emergency & Evacuation

Evacuation route with refuge area.

- Refuge areas for wheelchair users
- Tactile routes to exits

- 📺 Visual alarms for deaf users, auditory alarms for hearing users
- 🧠 Clear instructions and simple maps

## 7 External Areas

Pathway with parking and public transport access.

- 🚶 Accessible paths, parking, drop-offs
- 🕍 Tactile guide paths, detectable edges
- 📺 Visual cues and clear sightlines
- 🧠 Predictable and consistent layout
